Please join us for the lovely Advent tradition of the Rorate Caeli Mass, a Mass traditionally said before dawn to commemorate the Blessed Virgin Mary at the dawn of human salvation, the birth of

our Savior, Jesus Christ. Join us for a beautiful candlelit Mass in our historic upper church, with music provided by a Durandus Institute Quartet, according to the Mass setting of the great

English composer William Byrd. Enter with us into the true spirit of Advent and Christmas: a joyful waiting for the coming of the "dawn from on high"!
